

Annual Student Activity Fee

Each year our students participate in a large and wide variety of supplemental educational activities. These activities included field trips, special visitors, a ten-week creative movement program over the summer, and weekly Spanish and music classes during the school year.

In an effort to streamline our procedures and minimize your burden, at the beginning of each new school year we require that each student submit an annual activity permission slip and corresponding fee.

Throughout the year, the school offers Pizza Friday to children in the Jellyfish, Guppy, Dolphin, and Whale classes. Pizza Friday is included in the activity fee.

Attached is your child's annual activity permission slip, listing anticipated supplemental educational activities for the coming year. You are asked to sign one permission slip for each child and to pay one activity fee for the twelve-month period, September 1 through August 31. The fees for each classroom are listed below.

Whale (Beluga & Orca) Student Activity Fee	\$395
Dolphin Student Activity Fee	\$395
Guppy Student Activity Fee	\$375
Jellyfish Student Activity Fee	\$325
Starfish & Seahorse Student Activity Fee	\$195

If your child attends Friendship Children's Center on a part-time basis, please see the Director to discuss whether your family is eligible for a reduced fee.

Please return the attached permission slip and activity fee to school by September 15.

Thank you!
